

NAME _____

DATE _____

Flowers, Shells & Cards

- 1 Lisa, Imani, and Carla were picking flowers for their aunt. If they each picked 8 flowers, how many flowers did they pick in all? Show all your work.

- 2 Frank collected 18 beautiful shells for his 3 cousins. If he gave each cousin the same number of shells, how many shells did each cousin get? Show all your work.

- 3 **CHALLENGE** Four friends were making cards to sell at the holiday sale. Each friend made 9 cards. They put all their cards together and then bundled them in groups of 6 cards to sell. How many bundles of 6 cards did they have to sell? Show all your work.
