

Unit 5 Module 4 | Session 5 1 copy for display

Areas for Chickens

Barbara has three chickens: Ruby, Verna, and Bella. She takes excellent care of “the girls.” When they aren’t scratching around in the yard looking for bugs, grubs, and worms, they enjoy the pen and chicken house Barbara built for them. Most mornings at least two of them lay eggs.

The chickens’ pen is 6 feet wide and 10 feet long. The chicken house is 5 feet wide and 6 feet long. How much of Barbara’s back yard area is taken up by the pen and chicken house together?
